19. E –Voting:

Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 The Company has provided remote e-voting (e-voting from a place other than venue of the AGM) facility through Central Depository Services (India) Limited, as an alternate, for all members of the Company to enable them to cast their votes electronically, on the resolutions mentioned in the Notice of the 35th General Meeting of the Company dated 14th August, 2021 (the AGM Notice).

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

The facility for voting either through electronic means system or through ballot/polling paper shall also be made available at the venue of the 35th AGM. The members attending the meeting, who have not already cast their votes through remote e-voting shall be able to exercise their voting rights at the meeting. The members who have already cast their vote through remote e-voting may attend the meeting but shall not be entitled to cast their vote again at the AGM.

The Company has appointed M/S. Kashyap Shah & Co., Practicing Company Secretaries, Vadodara, as the Scrutinizer for conducting the remote e-voting and the voting process at the AGM in a fair and transparent manner. E–Voting is optional. In terms of requirement of the Companies Act, 2013 and relevant Rules, the Company has fixed 07/08/2021 as the 'Cut-off Date.

The remote e-voting/voting rights of the shareholders/beneficial owners shall be reckoned on the equity shares held by them on the Cut-off Date i.e. 07/08/2021 only.

The instructions for shareholders voting electronically are as under:

The voting period begins on Wednesday, 11/08/2021 at (IST 10.00 a.m.) and ends on Friday, 13/08/2021 at (IST 5.00 p.m.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. 07/08/2021, (record date) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

Management Discussion and Analysis)

a) Industry Structure and Developments

The Indian Power & Distribution Transformers Market is anticipated to grow at a CAGR of over 6.89% in the next six years, owing to the growing demand for power due to rapid increase in population, industrialization, and urbanization. India being the 5th largest power producer in the world, in terms of installed capacity, is calling for an increase in the market of power & distribution transformer market.

b) Opportunities

Government schemes like DeendayalUpadhyaya Gram JyotiYojana (DDUGJY) for strengthening and enhancement of sub-transmission distribution infrastructure in rural areas, involve an increased demand for distribution transformers in the future. Also, the Integrated Power Development Scheme (IPDS) for fulfilling the power demand of urban areas add to the demand for the transformers.

c) Threats

Due to Second wave of COVID-19 pandemic & Strict restrictions it is apprehended that there would be adverse impact on world GDP which may impact ongoing projects. Further, changes in government policies in tax structures coupled with increasing competition from domestic and foreign players could lead to margin contraction due to pricing pressure. Some of the larger global players are already present in India. Since the industry is not very capital intensive, more local & foreign players could enter the market in future.

d) Segment wise performance

Your Company is engaged in manufacturing of Distribution Transformers ranging from 5 KVA to 3000 KVA and Power Transformers ranging from 3000 KVA to 50,000 KVA. The Company also manufactures solar and windmill transformers for renewable energy sector.

e) Outlook

Following a period of extreme turbulence starting February 2020, markets began to show gradual recovery in the second half of the year. The ambition for clean energy and nature-positive infrastructure remained in focus as the government set even more ambitious renewable energy targets, promoted rail electrification, incentivized electric vehicle adoption, and provided credit liquidity for distressed power entities to ensure uninterrupted power transmission. your Company looks at playing an active role in renewable energy integration as government aims to increase generation capacity.

f) Risks and concerns

Due to COVID-19 pandemic there are wide spread concerns about economic slowdown globally including India, with disruption of business having cascading impact on its liquidity. Moreover, recent high increase in cost of raw materials including copper has increased cost of production. This has affected margin on revenues of the Company.

g) Internal control system

Your Company's internal controls systems are commensurate with the nature and size of its business operations. Adequate internal controls, systems and checks are in place and the management exercises financial controls on the operations through a well – defined processes.

h) Discussion on financial performance with respect to operational performance.

The Company earned operational income of Rs.11,781.47lacs compared to Rs. 7,127.57 lacs for the previous year. The other income is Rs.239.47 lacs compared to Rs. 298.98 lacs in the previous year. The total revenue for the year is Rs.12,020.94lacs against Rs. 7,426.55lacs in the previous year. Profit after tax is Rs.549.42lacs as compared to previous year figure of Rs. 149.77lacs. The Company has concentrated on catering needs of renewable energy sector including solar and wind energy in local market wherein the Company has been enjoying commendable position being one of the top companies in India supplying transformers for renewable energy.

g) Material developments in Human resources / Industrial Relations front, including number of people Employed.

Your Company continued its activities during the year in a cordial atmosphere with utmost co-operation amongst employees and the management. As of the date of the report, the total numbers of the employees of Company are 115. The management is committed to promote safety, occupational health and proper environment is design, planning, training and completion of all tasks. Trainings are imparted to workmen in various new techniques and systems. During the period under review, your Company remains "Zero Discharging Pollution Unit". The Company undertakes various CSR activities before it became mandatory for the upliftment of society, betterment of human being, and the Company believes growth of all stakeholders vis a vis growth of the Company.

1. Introduction: Remuneration Policy

The remuneration policy for members of the Board of Directors and Executive Management of Shilchar Technologies Limited (herein after referred to as "Shilchar") reflects the interest of the shareholders and the Company taking into consideration any specific matters, including the assignments, the responsibilities undertaken and also be competitive with the external market. The Company recognizes the benefit of a Board that possesses the right balance of skills, knowledge, experience, expertise and diversity of perspective.

2. The Nomination and Remuneration Committee shall formulate eligible criteria for nomination and selection of Directors and recommended remuneration policy for the directors.

3. Appointment and Qualification of the Directors and the Composition of the Board shall be governed by the Nomination and Remuneration Committee.

In recognition of the fact that the selection of qualified directors is complex and crucial to the long-term success of the Company, the Nomination and Compensation Committee has established the following guidelines for the identification and evaluation of candidates for the membership on the Company's Board of Directors.

Candidates should be distinguished individuals who are prominent in their fields or otherwise possess exemplary qualities that will enable them to effectively function as directors of the Company. While the Nomination and Compensation Committee may not believe it appropriate at this to establish any specific minimum qualification for candidates, the Committee shall focus on the following qualities in identifying and evaluating candidates for Board membership.

Board Membership Criteria

- Educational background, business experience and skills
- Charter, reputation of highest ethical standards and personal integrity
- Practical wisdom, Sound Business Judgment and strong sense of professionalism
- Independence and objectivity
- Diversity and multi-cultural experience and understanding
- Strong understanding of marketing, finance and other disciplines relevant to the success of business.
- Willingness to commit, as well as have sufficient time to discharge his or her duties to the Board.
- Ability to consider and understand all the constituencies of the Company, which includes stockholders, employees, customers, governmental units, creditors and the general public.
- Any other factors that the Nomination and Compensation Committee may consider to be relevant and appropriate for the appointment.

Recognizing that the overall composition of the Board is essential to the effective functioning of the Board the Nomination and Compensation Committee shall make appointment in the context of the existing composition of the Board so as to achieve an appropriate mix of backgrounds, skills, diversity and qualities. In making its determinations, the Nomination and Compensation Committee shall take into account all applicable legal, regulatory and stock exchange requirements concerning the composition of the Board and its committees.

4. Evaluation Criteria:

The Board constantly evaluates the contribution of the members and re-appoints them for tenure as per company requirement based on their performance linked to strategic objectives of the Company. Evaluation criteria may be membership accountability, governance, board operations, legal responsibilities, financial overview, board management relations and personal leadership.

5. Remuneration to the Board of Directors and Executive Management:

The remuneration of the Board of Directors and Executive Management is set by the Nomination and Remuneration Committee under the delegated powers of Board.

Efforts are made to ensure that the remuneration of the Managing Director / Whole time Director matches the level in comparable companies, while also taking into consideration board members' required competencies, qualification, efforts and scope of the board work, including the number of meetings.

Attracting and retaining top talent is the key objective of our approach to remuneration. This is done keeping in mind that the competitive and fair awards are linked to the key deliverable and also aligned with the market practices and stakeholders' expectations.

Accordingly, the Board of Directors believes that a combination of fixed and performance based pay to the Executive Management helps ensure the Company can attract, motive and retain key employees while reflecting the short and long term performance objectives and goal of the Company.

7. Linkage to Performance:

The relationship of remuneration to performance is clear and ties the larger part of remuneration to long-term performance. The level varies according to performance relative to measure linked directly to strategic priorities.

8. Policy on Diversity:

Shilchar is committed to the highest standards of corporate governance, transparency and accountability. Hence, we strive to leverage Diversity to contribute to the achievement of Shilchar's strategic objectives.

Accordingly, the Board aims to attract and maintain a Board which has an appropriate mix of Diversity, education, skills, knowledge, experience, expertise and cultural background. The Shilchar Board recognizes the value of appointment of individual who bring a variety of diverse opinions, perspectives, skills, experience, background and orientations to its business decision and its decision-making processes.

An overriding principle is that all appointment to the Board will be based upon the merit and suitability of the candidate. Taking this in to account, appointment of female members to the Board is also to add value of a more diverse board.

9. Review of the Board Diversity Policy:

The Nomination and Remuneration committee shall review this policy, as appropriate, to ensure the effectiveness of this policy. The nomination committee shall discuss any revision that may be required and recommend any such revisions to the Board for consideration any approval.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHILCHAR TECHNOLOGIES LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of SHILCHAR TECHNOLOGIES LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statement and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to that Board's Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so;

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- ❖ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- ❖ Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account;
 - (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 38 to the Financial Statements;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv.
- i. The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - ii. The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - iii. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Companies Act, 2013.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to in Para 1 ‘Report on Other Legal and Regulatory Requirements’ in our Independent Auditor’s Report to the members of the Company on the Financial Statements for the year ended 31st March, 2021.

- I. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Fixed Assets;
- (b) As informed to us, the company has regular programme of physical verification of its fixed assets by which the fixed assets are verified in phased manner over a period of time. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets;
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company;
- II. As per the information and explanations given to us, physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancies were noticed on physical verification;
- III. According to the information and explanations given to us, the Company has not granted any secured or unsecured loans to Companies, Firms, Limited Liability Partnership or any other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore the requirements of sub-clause (a), (b) and (c) of clause (iii) are not applicable to the Company.
- IV. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable;
- V. In our opinion and as explained to us, the Company has not accepted any deposits during the year and therefore, the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder are not applicable to the Company;
- VI. We have broadly reviewed the cost records maintained by the Company as prescribed by the Central Government under sub section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete;
- VII. According to the information and explanations given to us, in respect of statutory dues:
 - (a) According to the information and explanations given to us and the records examined by us, the Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees’ state insurance, income-tax, Goods and Service Tax (GST), custom duty, cess and other statutory dues and there are no undisputed statutory dues outstanding as at 31st March, 2021, for a period of more than six months from the date they became payable;
 - (b) According to the information and explanations given to us and the records examined by us, there are no dues of income tax, sales tax, wealth-tax, service tax, duty of customs, duty of excise, value added tax or cess that has not been deposited on account of disputes.
- VIII. Based on our audit procedure and according to the information and explanation given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions or banks, Government or dues to debenture holders;
- IX. According to the information and explanations given to us, no moneys were raised by way of initial public offer or further public offer (including debt instruments) and the term loans were applied for the purpose for which the loan were obtained during the year;

- X. During the course of our examination of the books of account and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any incidence of fraud on or by the Company noticed or reported during the year, nor we have been informed of any such case by the management;
- XI. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act;
- XII. In our opinion and according to the information and explanation given to us, the provisions related to Nidhi Company are not applicable;
- XIII. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards;
- XIV. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review;
- XV. According to the information and explanation given to us and based on our examination of the records, the Company has not entered into non-cash transactions with the directors or persons connected with them. Hence, the provisions of Section 192 of the Act are not applicable;
- XVI. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SHILCHAR TECHNOLOGIES LIMITED** (“the Company”) as of 31st March, 2021 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements of the company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES:

1.1 Description of Business

SHILCHAR TECHNOLOGIES LIMITED ("the Company"), incorporated in the year 1986 is Public Limited Company and engaged in the business of manufacturing of "Distribution & Power Transformers" as well "Electronics & Telecommunication Transformers."

The Company made its public issue in the year 1995 and is listed on Mumbai Stock Exchange.

1.2 Basis of Preparation of Financial Statements

i. Compliance with Ind AS

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plans – plan assets measured at fair value.

iii. Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency, and all values are rounded to the nearest lakhs, except otherwise indicated.

iv. Composition of Financial Statements

The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Cash Flow
- Statement of Changes in Equity
- Notes to Financial Statements

1.3 Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

2.1 Significant Accounting Policies and Other Explanatory Notes

A. Property, Plant and Equipment:

i. Recognition and measurement

Freehold land is carried at cost and not depreciated. All other items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognized in the Statement of Profit and Loss.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

An Item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is recognised so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives, using the Straight Line Method on the basis of useful lives specified in part C of Schedule II to the Companies Act, 2013 except plant and equipment ranging from 10 – 20 years. The Estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in the estimated accounted for on a prospective basis.

B. Investment Property:

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. Investment properties are depreciated using the straight-line method over their estimated useful lives. Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes.

C. Intangible Assets:

i. Recognition and measurement

Intangible Assets are stated at cost of acquisition less accumulated amortization and accumulated impairment, if any. Amortization is done over their estimated useful life on straight line basis from the date that they are available for intended use, subjected to impairment test.

ii. Amortization

Software, which is not an integral part of the related hardware is classified as an intangible asset and is amortized over the useful life of 3 years.

iii. De-recognition of Intangible Assets:

Intangible asset is de-recognised on disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Statement of Profit and Loss when the asset is de-recognised.

D. Impairment:

i. Non - financial assets

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair valueless costs of disposal and value in use. If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in statement of Profit and Loss.

E Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

(A) Lease Liability

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

(B) Right-of-use assets

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

Subsequent measurement

(A) Lease Liability

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

(B) Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Short term Lease:

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income is recognised in the statement of profit and loss on straight line basis over the lease term.

F Inventories:

Inventories are measured at the lower of Cost and Net Realizable Value. The cost of inventories is based on the first-in first-out formula, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. In the case of manufactured inventories and work in progress, costs include an appropriate share of fixed production overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The Net realisable value of work in progress is determined with reference to the selling prices of related finished products.

Raw materials, components and other supplies held for use in the production of finished products are not written down value below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

G Investments and Other Financial Assets:

i. Classification:

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and
- Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt or equity investments when and only when its business model for managing those assets changes.

ii. Measurement

At initial recognition, in case of a financial asset not at fair value through profit and loss, the Company measures a financial asset at its fair value plus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Statement of Profit and Loss are expensed in Statement of Profit and Loss.

- (a) Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost.
- (b) Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/losses. Interest income from these financial assets is included in other income using the effective interest rate method.
- (c) Fair value through profit and loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

iii. Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to Statement of Profit and Loss. Dividends from such investments are recognized in Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognized in other gain/losses in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

iv. Derecognition

A financial asset is derecognized only when

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

H. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from the operating, investing and financing activities of the Company are segregated.

I. Financial Liabilities:

i. Measurement

All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables recognized net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

ii. Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the Effective Interest rate (EIR) amortization process.

J. Foreign Currency Translation:

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Indian Rupee (INR) is the functional and presentation currency of the Company.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognized as income and expenses in the Statement of Profit and Loss, in the period in which they arise.

K. Derivatives:

Commodity Derivatives:

The Company is exposed to fluctuations in the prices of its raw materials. In case of principal raw materials such as copper, aluminum, oil etc, the risks on costing of the Company's products on account of fluctuations in prices of these materials is quite high. The Company tries to limit the effects of fluctuations in prices of these critical materials by following risk management policies including use of derivatives. For this, the Company enters into derivative buy or sell contracts for these commodities on the MCX Exchange. These contracts are generally not used for trading or speculation purposes.

In case of such derivative contracts, the gain or loss arising on exercise of option or settlement or cancellation are recognized in the Statement of Profit and Loss for the period. The derivative contracts outstanding as at the balance sheet are marked-to-market and corresponding gain or loss recognized on the same.

L. Revenue recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.

Revenue from the sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash component and consideration payable to the customer like return, allowances, trade discounts, liquidated damages and volume rebates.

Sales are disclosed excluding net of sales returns, service tax, value added tax and Goods and Service Tax (GST).

i. Dividend income

Dividend income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

ii. Export Incentives

Export incentives are recognized when the right to receive them as per the terms of the entitlement is established in respect of exports made.

The benefits accrued under the duty drawback scheme and Merchandise Export from India Scheme (MEIS) as per the Import and export Policy in respect of exports under the said scheme are recognised when there is a reasonable assurance that the benefit will be received and the company will comply with all attached conditions. The above benefits have been included under the head 'Export Incentives.'

iii. Insurance Claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

iv. Other Income:

- i) Other income is comprised primarily of interest income, gain / loss on investments and exchange gain/loss on foreign currency transactions. Interest income is recognized using the effective interest method.
- ii) Income from Sale of Wind Operated Power is accounted on accrual basis on confirmation of units generated and supplied to the State Electricity Board as per the agreement.

M. Employee benefits:

i. Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Provident Fund:

Contribution towards provident fund for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

iii. Gratuity:

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to Life Insurance Corporation of India (LIC) under its Company's Gratuity Scheme. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

iv. Compensated Absences:

Entitlement of employees accumulating earned leave and eligibility of compensation or encashment of the same is also a defined benefit obligation and is treated as long term in nature in terms of the policies of the Company for the same. The value of obligation towards the same is provided for on the basis of actuarial valuation using projected unit credit method as at the balance sheet date. Actuarial gain / losses are immediately taken to the Statement of Profit and Loss and are not deferred.

N. Borrowing costs:

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

O. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

P. Provisions and Contingencies:

i. Provisions

Provisions for legal claims, product warranties and make good obligations are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Long-term provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money. Short term provisions are carried at their redemption value and are not offset against receivables from reimbursements.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

ii. Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

iii. Contingent Assets

Contingent Assets are not recognised but are disclosed in the notes to the financial statements.

Q. Earnings per Share:

i. Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company, excluding any costs of servicing equity other than ordinary shares.
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

ii. Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional ordinary shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

R. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting to the Chief Operating Decision Maker "CODM" of the Company. The CODM is responsible for allocating resources and assessing performance of the operating

segment. The Company has monthly review and forecasting procedure in place and CODM reviews the operations of the Company as a whole.

S. Exceptional items:

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2.2 Recent pronouncements:

Recent pronouncements On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021.

Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

(i) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial Assets and Liabilities measured at fair value - recurring fair value measurements

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis (if any).

47 Financial Risk Management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

(A) Credit risk

Credit risk is the risk of incurring a loss that may arise from a borrower or debtor failing to make required payments. Credit risk arises mainly from outstanding receivables from free market dealers, cash and cash equivalents, employee advances and security deposits. The Company manages and analyses the credit risk for each of its new clients before standard payment and delivery terms and conditions are offered.

(i) Credit risk management

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer and including the default risk of the industry, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business;
- ii) Actual or expected significant changes in the operating results of the counterparty;
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations;
- iv) Significant increase in credit risk on other financial instruments of the same counterparty;
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instrument, which requires expected lifetime losses to be recognized from initial recognition of the receivables. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit Losses (ECL), the Company considers reasonable and relevant information that is available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

The reconciliation of ECL is as follows:

Particulars	For the year ended 31st March, 2021	For the year ended 31st March, 2020
Balance at the beginning of the year	35.05	24.69
Provision made/(reversed) during the year	3.67	10.37
Balance at the end	38.72	35.05

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(i) Maturities of financial liabilities

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

(i) Foreign currency risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The risk is measured through a forecast of foreign currency for the Company's operations.

The Company's exposure to foreign currency risk at the end of the reporting period expressed in Indian Rupee, are as follows:

(i) Trade receivable and other Receivable

Currency	As at March 31, 2021		
	Trade receivable and other Receivable	Hedges available	Net exposure to foreign currency risk
USD	560.83	-	560.83

Currency	As at March 31, 2020		
	Trade receivable and other Receivable	Hedges available	Net exposure to foreign currency risk

(ii) Trade payable and other payable

Currency	As at March 31, 2021		
	Trade receivable and other Receivable	Hedges available	Net exposure to foreign currency risk
USD	820.49	-	820.49

Currency	As at March 31, 2020		
	Trade receivable and other Receivable	Hedges available	Net exposure to foreign currency risk
USD	1,153.19	-	1,153.19

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly in USD sensitivity from unhedged foreign currency denominated financial instruments.

	Impact on profit after tax	
	31st March, 2021	31st March, 2020
USD sensitivity		
INR/USD increases by 5%	(12.98)	(29.12)
INR/USD decreases by 5%	12.98	29.12
